

Sleep Now Nana

Although I cannot see you,
I feel your presence near.
I will hold you close in memory
Till I drop my very last tear.

So sleep now with the angels,
And let your golden heart rest.
Although our hearts are broken,
We know GOD took the best.

So dance beyond those golden gates,
And join your loving mum.
I'll see you when I'm sleeping
And pray for you to come.

And although this pain is painful,
And I really don't wanna let you go,
I'll wait for death to take me, Nan,
So we can together one day glow.

Until that day, I'll close my eyes
and see your smiling face.
I'll lock you up inside me heart
Until we again embrace.

So rest now, my beautiful Nana.
I'll never forget how much you have done.
So until my hand meets yours again,
Sleep now in the sun.
