

Thank you for being a friend to me

*Thank you for being a friend to me
When I needed someone there
My failing hopes to bolster
And my secret fears to share.*

*Thank you for being so good to me
When it was hard to know
The wisest course to follow,
What to do and where to go.*

*Thank you for giving me confidence
When I had lost the way
Speaking the word that led me
Through the course of the day.*

*Thank you for all you did and said
To ease the weight for me,
Never intruding but always there
In the background, helping quietly.*

*Thank you not only for sympathy
In times of grief and stress
But for all that you have meant to me
In times of happiness.*

*Many a lovely day we've known
And many a laugh we've shared,
Thank you for being a friend to me
And for showing that you cared.*
